State of Illinois
Illinois Department on Aging

Important Note: Only those providers who have been certified (approved application and on-site review) will be accepted into the training. Maximum registration is 100 attendees. A second training may be held May 11-12, 2020, for those unable or not yet qualified to attend the April dates. It is recommended that each agency register at least 2 persons. If large numbers are registered from a single agency for the April training, some of those registrants may be required to attend the May training as an alternative.
